Biography

Basti Grub is a DJ and producer from Frankfurt. For more than 20 years, his name has stood for electronic music between deep house, indie dance and tech house. He has released several hundred records, on labels such as Innervisions, Diynamic, Crosstown Rebels and Hot Creations, as well as on Sony Music and Universal Music.

His sound: deep, dirty, sexy. Peak-time underground with a pop sensibility, grooves built for the dancefloor and hooks that stick. His tracks are supported and played by the biggest DJs in the scene.

Alongside his main project, Basti Grub is part of HOTDISC. He also produces disco as NoKidsAllowed and Afro house as OTXX. He runs his own labels, Aprapta Music and Make Noize, with Make Noize also set to launch as an event series.

In his studio, he also works for other artists under the name Basti Grub Production, from mixing and vocal recording to ghost production.
